CITIES

An aerial photograph of a city street grid, viewed from a high angle. The image is overlaid with a semi-transparent blue filter. On the left side, there is a large white circular graphic element that partially obscures the city view. The word "CITIES" is written in a bold, white, sans-serif font, centered horizontally and vertically over the city grid.

CITIES

A high-angle, long-exposure photograph of a crowded train station, overlaid with a semi-transparent blue filter. The scene is filled with people in motion, some walking and others on escalators. In the foreground, a large white semi-circle graphic is positioned on the left side. To its right, the text "54% of world population" is displayed in a clean, white, sans-serif font. The background shows various station elements like signs, escalators, and a glass-enclosed area.
